SANTA CRUZ, AUGUST 6, 2009

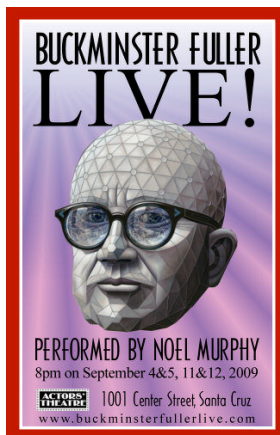

Actors' Theatre of Santa Cruz Raises Funds and Celebrates The Life Of R. Buckminster "Bucky" Fuller with a Multi-Media journey into the world of Possibility.

BUCKMINSTER FULLER LIVE! "I Seem To Be A Verb." Performed by Santa Cruz's own Noel Murphy, this performance has been created through collaboration and conversations with Buckminster Fuller's students, devotees, and visionaries. R. Buckminster "Bucky" Fuller was an author, designer, futurist, inventor, and visionary. Throughout his life, Fuller was concerned with the question "Does humanity have a chance to survive lastingly and successfully on planet Earth, and if so, how?"

"Bucky" returns from *Universe* to take the conversation to the next level.

Bucky was Noel Murphy's "grandmentor". Storyteller DR. Hugh Morgan Hill from Harvard Divinity (Brother Blue) was summoned regularly by Bucky - from the age of 10 Noel was receiving downloads from the great man himself through Dr. Hill. Noel Murphy, founder of The Speaker's Gym, coaches leaders in "Possibility". "I have had Bucky buzzing around my head for years. I want to rekindle his message for some and introduce him to others to begin with. I also wanted to explore who he really was from my current perspective and I've come away with an even stronger desire to share him with others." *Noel Murphy*
